

CLINIC REGISTRATION INSTRUCTIONS

Please read this important information carefully

All patients—new and renewal—must complete this registration packet.

Pages 1–4 are double-sided. Complete both sides.

These forms are part of your permanent patient record with Compassion Center Clinic. Please read this registration thoroughly and be sure to answer each question as completely and as accurately as possible.

Complete these registration forms, sign and return to Compassion Center along with a copy of your **Driver's license, state or military ID, or passport, and** proof of current address.

1. Complete, date, initial and sign the **Authorization for Release of Medical Records** form included in this packet. *You *must* complete a **separate** authorization form for **each** doctor you have seen for your OMMA qualifying medical condition during the past year. Veterans must fill out a **VA Authorization for Release of Medical Records**. (These forms are available at Compassion Center.)
2. The medical records staff at Compassion Center will fax or mail the Authorization for Release of Medical Records form to the doctor or medical facility you have indicated. Please call us if you need assistance in completing the form. A properly completed Authorization for Release of Medical Records assists our staff to process your application in a timely manner.
3. Pay appropriate Compassion Center fee.
 - a. *Payment of doctor's fees does not guarantee that the doctor will sign the physician's statement.
 - b. ***This fee must be included with your completed patient registration packet.**

DOCTOR'S FEE FOR ALL PATIENTS: \$160 Doctor Appointment and Physical Exam.

This fee may be paid before or on the day of your appointment.

PLEASE UNDERSTAND: THIS PROCESS MAY TAKE UP TO 6 WEEKS.

NOTE: Registering with Compassion Center as a patient is not the same as registering or renewing with the State of Oregon for the OMMP. The state requires an application and payment of a fee for registering with the OMMP. For current information and fees call Oregon Dept. of Human Services at 971-673-1234 .

We suggest that new patients attend our "Introduction to OMMA" class, held monthly from 5:30 pm to 6:00 pm at Compassion Center. This class is FREE. For additional OMMA classes available, see our current class schedule.
